Dear Supervisors:

**ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEES REPORT
FISCAL YEAR 2004-05
ATHENS-WOODCREST-OLIVITA, BELVEDERE, FIRESTONE, LENNOX, MALIBU,
MESA HEIGHTS, AND WALNUT PARK GARBAGE DISPOSAL DISTRICTS
SUPERVISORIAL DISTRICTS 1, 2, AND 3
4 VOTES AT HEARING**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Receive and file the Annual Garbage Collection and Disposal Service Fees Report, Fiscal Year 2004-05, for Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Garbage Disposal Districts (Enclosure A).
2. Set a date for a public hearing to consider and approve said report providing for the collection of the Fiscal Year 2004-05 Garbage Collection and Disposal Service Fees on the tax roll for each parcel of real property within the Garbage Disposal Districts.
3. Instruct the Executive Officer-Clerk of the Board of Supervisors to advertise, in English and Spanish, the legal Notice of Hearing in a newspaper of general circulation on two successive weeks prior to the hearing (Enclosure B).

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the collection of existing Garbage Collection and Disposal Service Fees for the Garbage Disposal Districts on the tax roll are for the purpose of meeting operating expenses and therefore exempt from the California Environmental Quality Act pursuant to Section 21080(b)8 of the Public Resources Code.
2. Adopt the Annual Garbage Collection and Disposal Service Fees Report, Fiscal Year 2004-05, for Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Garbage Disposal Districts.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The proposed recommendation provides that the existing Garbage Collection and Disposal Service Fees for each of the Garbage Disposal Districts continue to be collected on the tax roll in Fiscal Year 2004-05. Revenues generated are used for providing refuse, recycling materials, and green waste collection services in each Garbage Disposal District.

It is essential that the operation of the refuse collection and disposal services within the Garbage Disposal Districts be continued without interruption and at a reasonable cost to protect the environment and health and safety of the Garbage Disposal Districts= residents and business establishments.

The collection of the service fees through the tax roll remains the most cost-effective mechanism in the billing and accounting of these fees.

Implementation of County Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as these service fees provide sufficient funds to continue the refuse collection and disposal services within the Garbage Disposal Districts without interruption to protect the environment and health and safety of the Garbage Disposal District residents and business establishments. It also satisfies the goal of Service Excellence since providing continuous refuse collection and disposal services to residents and business establishments within the Garbage Disposal District improves the quality of life in the Garbage Disposal Districts.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In September 1980, your Board adopted several Ordinances establishing service fees to supplement property taxes to provide for refuse collection and disposal services in the above-referenced Garbage Disposal Districts. The only exception to this is the Lennox Garbage Disposal District where the Ordinance establishing service fees to provide refuse collection and disposal services was adopted by your Board on July 1, 2003.

Currently, each parcel of real property within each Garbage Disposal District is assessed an annual service fee based on the number of refuse units. The number of refuse units assigned to each parcel of real property is based on the Assessor's Land Use Classification. The number of units per parcel varies from one-half unit for a vacant parcel to 18 units for a community shopping center. A parcel containing a single-residential unit has been assigned one refuse unit.

The annual service fee per refuse unit is currently \$106, \$108, \$99, \$206, \$120, \$112, and \$80, for the Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Garbage Disposal Districts, respectively. The current annual refuse unit fee for each Garbage Disposal District will remain the same for Fiscal Year 2004-05.

California Health and Safety Code Section 5473 provides that any adopted ordinance or resolution authorizing the collection of service fees on the tax roll shall remain in effect until repealed or until changes have been made in rates.

Section 5473.1 of the Health and Safety Code requires that the notice of the filing of the Garbage Collection and Disposal Service Fees Report and a time and place of a public hearing thereon to be published once a week for two successive weeks in a newspaper of general circulation pursuant to Section 6066 of the Government Code. The enclosed Notice of Hearing (Enclosure B) has been reviewed and approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES

The collection of the service fees on the tax roll will allow each Garbage Disposal District to provide refuse collection and disposal and materials and green waste recycling services at the current level to all residential, commercial, and business customers.

NEGATIVE DECLARATION/ENVIRONMENTAL IMPACT REPORT

The collection of existing Garbage Collection and Disposal Service Fees for the Garbage Disposal Districts on the tax roll are for the purpose of meeting operating expenses and therefore exempt from the California Environmental Quality Act pursuant to Section 21080(b)8 of the Public Resources Code.

CONCLUSION

Upon Board approval, please return two approved copies of this letter and the Report to this Department. In addition, please file a copy of the Report with the Auditor-Controller on or before August 10, 2004.

Respectfully submitted,

INTRODUCTION

The California Health and Safety Code, Section 5470, et seq., requires that if existing garbage collection and disposal service fees are to be continued and collected on the tax roll, the clerk of the governing body of the entity shall file a report with the entity's auditor, on or prior to August 10 of each year, indicating the amounts of the fees against the respective parcels of land as they appear on the current assessment roll. This report has been prepared to fulfill said requirements.

The necessary funds must be available to pay the cost for refuse collection and disposal, materials and green waste recycling services, and administration of each District's contract.

ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEES

In September 1980, the County of Los Angeles Board of Supervisors adopted Ordinances establishing service fees to supplement property taxes for refuse, recycling material, and green waste collection services provided in the Athens-Woodcrest-Olivita, Belvedere, Firestone, Malibu, Mesa Heights, and Walnut Park Garbage Disposal Districts. On July 1, 2003, the Board of Supervisors adopted an Ordinance establishing a service fee for providing refuse, recycling material, and green waste collection services in the Lennox Garbage Disposal District. The collection of the above service fees through the tax roll is the most-effective mechanism in the billing and accounting of the fees.

The existing service fees for Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Districts are established in Los Angeles County Code, Title 20, Chapter 20.90, Parts 1, 3, 7, 15, 9, 11, and 13, respectively (Attachments B-1 through B-7). The annual service fee levied upon each parcel of real property within each District is computed by multiplying the amount of refuse unit charge by the number of refuse units for the current land use, as shown in Table 1 of Sections 20.90.060, 20.90.150, 20.90.350, 20.90.740, 20.90.450, 20.90.550, and 20.90.650 of the County Code, respectively, for the Districts listed. The number of refuse units per parcel varies from one-half unit for a vacant parcel to 18 units for a community shopping center. A parcel containing a single-residential unit has been assigned one refuse unit.

The current annual refuse unit fees for each District are as follows:

<u>District</u>	<u>Annual Refuse County Code Section</u>	<u>Annual Refuse Unit Fees (\$)</u>
Athens-Woodcrest-Olivita	20.90.040	\$106.00
Belvedere	20.90.130	\$108.00
Firestone	20.90.330	\$ 99.00
Lennox	20.90.720	\$206.00
Malibu	20.90.430	\$120.00
Mesa Heights	20.90.530	\$112.00
Walnut Park	20.90.630	\$ 80.00

These fees will remain the same for Fiscal Year 2004-2005.

As provided by Chapter 20.90 of the County Code, all single-family residents within each District are assigned one refuse unit and are charged in the amount indicated above. Multiple residential and certain commercial and industrial properties are assessed a higher amount based on their land use "Assessor Land Use Code."

IDENTIFICATION OF PARCELS TO BE CHARGED

Attachments C-1 through C-7 list all parcels of real property within the Fiscal Year 2003-04 Tax Rate Areas for each of the above-referenced Districts. These parcels of real property are further described in maps on file in the office of the County Assessor. These parcels of real property will be charged the appropriate service fee.

Maps showing each District's entire boundaries are included in Attachments A-1 through A-7.

Sections:

- 20.90.010 Title for citation.
 20.90.020 Purpose of provisions — Basis for service fee.
 20.90.030 Definitions.
 20.90.040 Service fees.
 20.90.050 Collection of charges.
 20.90.060 Table 1 — Refuse units for various property uses.

20.90.010 Title for citation. The ordinance codified in Part 1 of Chapter 20.90 shall be known as the "garbage collection and disposal service fee ordinance" of the Athens-Woodcrest-Olivita Garbage Disposal District and may be cited as such. (Ord. 12217 Art. 1 § 101, 1980.)

20.90.020 Purpose of provisions — Basis for service fee. The District is responsible for providing garbage collection and disposal within its boundaries. The amount of money from ad valorem taxes available to the District is inadequate to fund the cost of service. The District's collection and disposal service must be continued without interruption in order to protect the public health and safety of the residents therein and the general public. It is, therefore, necessary to impose a garbage collection and disposal service fee upon the properties within the District. The voters of the District have approved imposition of the fee. In order to avoid the substantial costs of establishing a billing system for the collection of fees, the board of supervisors finds that the fees should be collected on the tax roll. Due to the legal deadlines for such tax collection, it is necessary for the ordinance codified in this part to be effective by September 25, 1980. Since the District's services are

required for the collection and disposal of garbage, the board of supervisors finds that the most equitable basis upon which to base the service fee will be according to the current property use classification derived from the assessor's tax rolls. (Ord. 12217 Art. 1 § 102, 1980.)

20.90.030 Definitions. A. "District" means the Athens-Woodcrest-Olivita Garbage Disposal District.

B. "Board" means the board of supervisors of the county of Los Angeles.

C. "Parcel of real property" means a parcel of real property as shown on the local secured tax rolls of the county of Los Angeles. (Ord. 12217 Art. 2 §§ 201, 202, 203, 1980.)

20.90.040 Service fees. A. An annual garbage collection and disposal service fee is levied upon parcels of real property in the District for the services provided by the District.

B. The amount of the fee for each parcel shall be computed by multiplying the number of refuse units assigned to the property use classification of the parcel as shown in Table 1, codified in Section 20.90.060. The refuse unit fee is \$106.00 per unit.

C. This fee shall be in addition to any ad valorem taxes levied on such property. The current property use classification and the refuse units assigned to each property use are as set forth in Table 1. (Ord. 94-0044 § 1, 1994; Ord. 91-0084 § 1, 1991; Ord. 90-0092 § 1, 1990; Ord. 89-0081 § 1, 1989; Ord. 88-0104 § 1, 1988; Ord. 85-0117U § 1, 1985; Ord. 84-0103 § 1, 1984; Ord. 83-0148U § 1, 1983; Ord. 82-0181 § 1, 1982; Ord. 12397 § 1, 1981; Ord. 12217 Art. 3 § 301, 1980.)

20.90.050 Collection of charges. The garbage collection and disposal service fee shall be collected for each fiscal year on the tax roll at the same time and in the same manner as the general taxes of the county of Los Angeles. (Ord. 84-0103 § 2, 1984; Ord. 83-0148U § 2, 1983; Ord. 82-0181 § 2, 1982; Ord. 12397 § 2 (part), 1981; Ord. 12217 Art. 4 § 401, 1980.)

20.90.700 Definitions. A. "District" means the Lennox Garbage Disposal District.

B. "Board" means the board of supervisors of the county of Los Angeles.

C. "Parcel" of real property means a parcel of real property as shown on the local secured tax rolls of the county of Los Angeles. (Ord. 2003-0041 § 1 (part), 2003.)

20.90.710 Findings. The district is authorized to regulate and provide for refuse, recyclable materials, and green waste collection and disposal services through exclusive or non-exclusive contracts or otherwise. The district is authorized to impose service fees for the collection and disposal of those materials. In order to avoid the substantial costs of establishing a billing system for the collection of fees, the board finds that the fees should be collected on the tax roll. The board also finds that it is reasonable and appropriate to calculate the service fees based upon the current property use classification derived from the assessor's tax rolls. (Ord. 2003-0041 § 1 (part), 2003.)

20.90.720 Service fees. A. Annual garbage collection and disposal service fees shall be collected from parcels of real property in the district for the services provided by the district.

B. The amount of the fee for each parcel shall be computed by multiplying the refuse unit fee by the number of refuse unit(s) assigned to the property use classification of the parcel as shown in Table 1, codified in Section 20.90.740. The refuse unit fee is \$206 per unit. (Ord. 2003-0041 § 1 (part), 2003.)

20.90.730 Collection of services fees. The garbage collection and disposal service fee shall be collected for each fiscal year on the tax roll at the same time and in the same manner as the general taxes of the county of Los Angeles. (Ord. 2003-0041 § 1 (part), 2003.)

20.90.400 Title for citation. The ordinance codified in Part 9 of Chapter 20.90 shall be known as the "garbage collection and disposal service fee ordinance" of the Malibu Garbage Disposal District and may be cited as such. (Ord. 12221 Art. 1 § 101, 1980.)

20.90.410 Purpose of provisions — Basis for service fee. The District is responsible for providing garbage collection and disposal within its boundaries. The amount of money from ad valorem taxes available to the District is inadequate to fund the cost of service. The District's collection and disposal service must be continued without interruption in order to protect the public health and safety of the residents therein and the general public. It is, therefore, necessary to impose a garbage collection and disposal service fee upon the properties within the District. The voters of the District have approved imposition of the fee. In order to avoid the substantial costs of establishing a billing system for the collection of fees, the board of supervisors finds that the fees should be collected on the tax roll. Due to the legal deadlines for such tax collection, it is necessary for the ordinance codified in this part to be effective by September 25, 1980. Since the District's services are required for the collection and disposal of garbage, the board of supervisors finds that the most equitable basis upon which to base the service fee will be according to the current property use classification derived from the assessor's tax rolls. (Ord. 12221 Art. 1 § 102, 1980.)

20.90.420 Definitions. A. "District" means the Malibu Garbage Disposal District.

B. "Board" means the board of supervisors of the county of Los Angeles.

C. "Parcel of real property" means a parcel of real property as shown on the local secured tax rolls of the county of Los Angeles. (Ord. 12221 Art. 2 §§ 201, 202, 203, 1980.)

20.90.430 Service fees. A. An annual garbage collection and disposal service fee is levied upon parcels of real property in the District for the services provided by the District.

B. The amount of the fee for each parcel shall be computed by multiplying the number of refuse units assigned to the property use classification of the parcel as shown in Table 1, codified in Section 20.90.450. The refuse unit fee is \$120.00 per unit.

C. This fee shall be in addition to any ad valorem taxes levied on such property. The current property use classification and the refuse units assigned to

each property use are as set forth in Table 1. (Ord. 91-0106 § 1, 1991; Ord. 90-0092 § 3, 1990; Ord. 89-0081 § 3, 1989; Ord. 85-0117U § 4, 1985; Ord. 84-0103 § 11, 1984; Ord. 83-0148U § 9, 1983; Ord. 82-0181 § 9, 1982; Ord. 12401 § 1, 1981; Ord. 12221 Art. 3 § 301, 1980.)

20.90.440 Collection of charges. The garbage collection and disposal service fee shall be collected for each fiscal year on the tax roll at the same time and in the same manner as the general taxes of the county of Los Angeles. (Ord. 84-0103 § 12, 1984; Ord. 83-0148U § 10, 1983; Ord. 82-0181 § 10, 1982; Ord. 12401 § 2 (part), 1981; Ord. 12221 Art. 4 § 401, 1980.)

NOTICE OF HEARING
ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEES REPORT
FISCAL YEAR 2004-05
ATHENS-WOODCREST-OLIVITA, BELVEDERE, FIRESTONE, MALIBU, LENNOX,
MESA HEIGHTS, AND WALNUT PARK GARBAGE DISPOSAL DISTRICTS

Notice is hereby given that a report by the Director of Public Works has been filed with the Board of Supervisors of the County of Los Angeles as the governing body of the Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Garbage Disposal Districts (Districts) recommending the Garbage Collection and Disposal Service Fees for Fiscal Year 2004-05 continue to be collected on the tax roll. There will be no change in the Garbage Collection and Disposal Service Fees.

Currently, each parcel of real property within the Districts is assessed an annual service fee based on the number of "refuse units" assigned to that parcel. The number of refuse units is a function of the Property Land Use Code and varies from one-half of one unit for a vacant lot and one unit for a single-family residence to 18 for a community shopping center. The annual service fee per "refuse unit" is currently \$106, \$108, \$99, \$206, \$120, \$112, and \$80 for the Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, and Walnut Park Districts, respectively. These service fees per refuse unit will remain unchanged for Fiscal Year 2004-05. Revenues generated are used for providing refuse, recyclable material, and green waste collection services.

Tuesday, _____, 2004, at 9:30 a.m., in Room 381 of the Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California 90012, is the time and place which has been fixed by the Board of Supervisors to consider this matter. Any person wishing to be heard on this matter may appear before the Board of Supervisors and show cause why the proposal should not be adopted.

For further information regarding this matter, please telephone the County of Los Angeles Department of Public Works, Environmental Programs Division, at (800) 404-4487, Monday through Thursday from 7 a.m. to 5:30 p.m.

Upon 72 hours notice, the County can provide program information and publications in alternate formats or make other accommodations for people with disabilities. BELVEDERE, FIRESTONE, LENNOX, MALIBU, MESA HEIGHTS, Y WALNUT PARK

Por este aviso se anuncia que un reporte por el Director de Obras Públicas se ha registrado con la Junta de Supervisores del Condado de Los Angeles como el cuerpo gobernante de los Distritos de Basura de Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, y Walnut Park, recomendando que los pagos de Servicio de Disponibles y Recolección de Basura para el Año Fiscal 2004-05 continúen ser colectados en el rollo de impuestos. No habrá cambio en las cuotas de Servicio de Recolección de Basura.

Actualmente, cada lote de bienes y raíces dentro de los Distritos de Recolección de Basura es sujeto a una cuota anual de servicio la cual está establecida sobre el número de "unidades de desechos" asignadas a ese lote. El número de unidades de desechos es una función del Código de Uso de Terreno de Propiedad y varía de la mitad (1/2) de una unidad para un lote vacío a una (1) unidad para una residencia de una familia, hasta 18 unidades para un centro de comercio de la comunidad. La cuota anual de servicio por "unidad de desechos" es actualmente \$106, \$108, \$99, \$206, \$120, \$112, y \$80 para los Distritos de Recolección de Basura de Athens-Woodcrest-Olivita, Belvedere, Firestone, Lennox, Malibu, Mesa Heights, y Walnut Park, respectivamente. Estas cuotas de servicio por cada unidad de desechos permanecerán sin cambio para el Año Fiscal 2004-05. Ingresos producidos son utilizados para proveer servicios de recolección de basura y reciclaje.

BOARD AGENDA ITEM 1, APRIL 27, 2004

ANNUAL GARBAGE COLLECTION AND DISPOSAL SERVICE FEES REPORT FOR FISCAL YEAR 2004-05

ATHENS-WOODCREST-OLIVITA, BELVEDERE, FIRESTONE, LENNOX, MALIBU, MESA HEIGHTS, AND WALNUT PARK GARBAGE DISPOSAL DISTRICTS

Board Agenda Item 1 concerns the public hearing scheduled for April 27, 2004, to solicit comments on the Annual Garbage Collection and Disposal Service Fees Report for Fiscal Year 2004-05. The Annual Report provides for the collection of the Fiscal Year 2004-05 Service Fees on the tax roll for each parcel of real property within the above Garbage Disposal Districts (GDDs). Upon conclusion of the public hearing, I am recommending your Board's adoption of the Annual Report.

As required by State law, the legal notices for the public hearing were published in four newspapers as indicated in Attachment A. As of this date, we have not received any comments.

The Service Fees were established in 1980 to supplement diminishing property taxes to ensure that there was sufficient revenue to cover the operating cost of the GDDs. The exception is the Lennox GDD where the Service Fee was established in July 2003 after the district was formed. The collection of the Service Fees on the tax roll is the most cost-effective mechanism in the billing and accounting of these Fees.
